

Archaeology and History in Lebanon

The very existence of the AHL journal would not be possible without the continuous support of those individuals and private institutions whose generous contributions directly reflect their interest in maintaining a higher national intellectual output.

This issue was made possible by the generous support of
Cimenterie Nationale

Listed below are the names of the LBFNM

Mr. Joe Zoghzoghi, Beirut.

COVER PHOTOGRAPHS:

A series of "torpedo" jars from the Late Iron Age showing morphological developments. Examples from a private collection include jars with sharply carinated almost flat shoulders with short rim and a relatively long straight body as well as later jars with a lower rim almost flat on the shoulder with a more "waisted" body. From the Sarepta region. Private collection S. B.
